# Design Considerations

- Head clearance (areas of traffic)?
- Door clearance?
- Method of attachment to building?
- Style (crisp or soft)?
- Ratio of drop to projection?
- Will posts be needed?
- Where will the water drain?
- The compromise of shade vs. view?
- Pull up or stationary?
- Does head need to be sealed?

**Your Capital Awning Estimator  
will discuss these considerations  
during your FREE estimate.**
